

# **Nosework with Laurie McLaughlin**

Tuesday, August 13, 2019

Pam & Marysa Snider's farm  
563362 Thomas Road, Ingersoll, On.

Laurie McLaughlin will be joining us to review our Scent Handling techniques and help to further develop our handling and dog's scenting skills.

Our workshop numbers will be small with the goal of giving everyone a chance to discuss their Nosework challenges with Laurie and to share with the group.

The day will be split into 2 sections with Scent Handling, Novice to Superior dogs in the morning. There will be a 1-hour break (lunch provided), followed in the afternoon with our Master and Elite dogs.

**There are 8 working spots and 4 auditing spots available.**

---

<p><b>Full day working spots are \$150.00</b></p> <p>Full day working spot participants can bring one dog for the morning session and a second dog for the afternoon session.</p>	<p><b>Full day auditing spots are \$100.00</b></p> <p>For those auditing the workshop please do not bring a dog.</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------

---

***Please bring chairs, dog crates, indoor shoes and any other items for your personal comfort.***

The morning session will run from 9-12, lunch from 12-1 and the afternoon session 1-4.

**Lunch will be provided, salads, sandwiches, juices & dessert.**

*If the working spots do not fill, consideration will be given to ½ day attendees.*
